ANDREW SHARPE (*Executive Director*)

Dear IARIW Member,

Because of the coronavirus pandemic, Statistics Norway and the IARIW Council have decided to postpone for one year the 36th IARIW General Conference scheduled for August 24-28, 2020. The conference will now be held August 23-27, 2021. We regret this decision, but feel it is necessary given the difficulty of international travel and the importance of containing the coronavirus.

The IARIW thanks Statistics Norway for agreeing to host the postponed conference in Oslo next year.

Council is exploring the possibility of holding a short digital conference this August with a few key sessions, including the plenary on the future of the SNA and the members meeting. Details will be distributed to the membership as soon as possible.

The Association hopes that its members and their families are safe and healthy in these unprecedented times of global pandemic.

Best Regards,

Andrew Sharpe

Executive Director
